

How do I get to Northshore?

From Interstate 5...

From I-5 heading either north or south, take the Highway 526 Mukilteo Exit and follow Highway 526 west, exiting onto Seaway Boulevard. Drive through 3 traffic lights and you will reach a four-way stop (there will be an entrance to "Fluke" on your left.) Turn right onto Merrill Creek Parkway. Go about 1/2 mile to the stoplight at 23rd Dr. West. Turn left on 23rd Drive West. The entrance to the church parking lot will be straight ahead.
